Sir

Inviting your kind Mssp of the 9th inst. Mssp. No 8020-9/4242 + 7005-94/4233, I beg to know if the Schedule are also to accompany them. I may say the Annual Schedule alone makes about 70 pages of English & about 100 pages in Kanarese. The Todds will probably make double the number of pages

I also beg to know if the Schedules can be typed in the Weekly and Monthly Diaries. Mysore, 11th inst. The Diaries are bulky size.

P. T. O.

12

With regard to the publication in the Gazette of the Notifications and Plan respecting Schedules, I beg to suggest the publication in a Supplement. This will enable the Press to print off the large number of copies per mill in one at one time This relieving the minimum quantity of material locked up in the work. Proofs of portions of the Schedules have already been sent to the Excise Office for check.

Yours

Hy Thomson

The cost of advertising in all the three issues is certainly large. If the Supt.'s Suggestion is accepted, there will be a saving of more than ~~a Rs~~ 100 Rs. Would it not be advisable to insert advertisements in the local newspapers also, giving reference to the Gazette for full particulars, as is done in Madras?

To The Secretary to the Govt. of Mysore,
General and Revenue Department

Sir,

Referring to your No. 8031/Ex. 244 of the 6th instant, instructing that Arrack and Toddy Schedules should be published in 3 issues of the Gazette, I have the honor to lay before you a memorandum showing the cost that will be incurred for paper alone in this publication and to request that you will be so good as to move Government — in view of curtailing the publication of the Schedules to one issue only. A notification could be published in subsequent issues, intimating with reference to this subject that the schedules have been published in Gazette No. so and so of such a date. I would like to point out that as a large number of spare copies are to be printed and supplied to the Excise Commissioner, there is probably no necessity why there should be any repetition of the Schedules in

in the Gazette. You will note from my Memorandum that a Saving to Government of Rs. 1250 will be effected if my suggestion meets with approval.
